

RESILIENT CITY

Together, we rebuild

FOUNTAINGROVE & HIDDEN VALLEY NEIGHBORHOOD AREAS REBUILDING & RECOVERY COMMUNITY MEETINGS

The City of Santa Rosa invites residents of Fountaingrove and Hidden Valley neighborhoods to attend three upcoming recovery and rebuilding community meetings. Each meeting will focus on different recovery topic areas impacting the Fountaingrove and Hidden Valley areas, and residents will have a chance to ask questions and hear the latest updates from City of Santa Rosa staff.

Rebuilding Q&A with
Permit Center Staff

WE'RE BRINGING THE REBUILDING PERMIT COUNTER TO YOU

During each meeting, staff from the City's Rebuilding Permit Center will be on-hand to meet one-on-one with homeowners who are rebuilding from the fires to discuss your specific rebuilding questions including design modifications, setbacks, landscape design, etc. Homeowners may also bring their landscape design template to have it approved on the spot.

To reserve a timeslot to speak one-on-one with permit staff about your rebuild or to get your landscape design template approved, please book an appointment online in advance of the meetings at: bit.ly/resilientSR
